protection

improved durability

When fitted with front and rear mud-flaps, the Kangoo Van sills fear nothing. Inside, special trims protect your floor and sides from heavy and sharp loads. Premium and standard wood lining, designed to leave access to lashing hooks free, fully protect your load area. The Innovation polypropylene floor goes even further: its non-slip coating provides optimum protection, even on a damp floor, so that you do not slip when loading or unloading your vehicle.

1. front and rear mud flaps

7717274244

2. Tailored Driver Seat Cover with Separate Headrest cover

7717081139

Tailored Single Passenger seat with separate headrest cover
