02. equipment

evolution

design

- Renault LED pure vision front headlamps and full LED light signature
- 19" streamline diamond-polished black alloy wheels
- brushed satin chrome Renault logo
- shark fin aerial
- automatic electric flush-fitting door handles
- satin roof bars

on-board features

- high central console with sliding armrest and 2 USB sockets
- dual-zone automatic heating and air conditioning with air purifier
- hands-free card
- 12.3" digital cluster and multimedia system
- 9" openR link with integrated radio
- wireless smartphone mirroring compatible with Android Auto™ and Apple CarPlay™
- electrically adjustable, automatically foldable demisting door mirrors

- Arkamys® audio system with 6 speakers
- steering wheel in grained bio-sourced and recycled textile with high-gloss black finish
- upholstery in mottled grey woven recycled fabric with light-coloured top-stitching
- biosourced and recycled textile dashboard
- digital operating instructions in the vehicle's multimedia system
- heated front seats and steering wheel

- automatic main-beam / dipped headlight activation
- driver attention alert

electric

- heat pump and heat management
- battery temperature optimisation system (when using DC rapid charging)
- mode B regenerative braking (gear lever)

safety

- safe following distance warning
- lane departure warning
- rear parking sensors and reversing camera
- adaptive cruise control (with stop & go function)
- emergency call
- automatic urban and inter-urban emergency braking (with detection of cars, pedestrians and cyclists)
- automatic emergency braking at intersections
- road sign recognition with speeding alert (included for 14 years)

techno (evolution+)

design

- electric folding door mirrors with welcome lighting with logo puddle lamp
- tinted rear windows
- satin hyper metal front and rear fascia trim pieces

on-board features

- ingenious® rear armrest (including ski hatch) with 2 USB-C ports
- wireless charging pad
- 12.3" digital cluster and 12" openR link: connected multimedia system with Google built-in (Google Maps and Google Assistant) for 5 years and infotainment pack (Google Play) with 3 GB included (for 6 months)*
- rimless automatic day/night interior rear-view mirror
- mottled grey recycled fabric upholstery / titanium black recycled grained coated textile with yellow top-stitching

- multi-sense and interior lighting ambiance front and rear
- steering wheel in grained bio-sourced and recycled textile with perforated insert and satin chrome finish
- electric tailgate

safety

- adaptive vision LED headlights with fog light function
- front and side parking distance control
- blind spot warning

electric

- electric journey programming with Google Maps*
- presetting of battery temperature when driving (prior to DC rapid charging)
- regenerative braking (four levels) adjustable via a paddle shifter on the steering wheel

esprit Alpine (techno+)

design

- black diamond-finish alloy wheel rims with 20" speedway smoke finish
- front and rear bumper pieces and satin grey door protectors
- brushed ice black Renault logo
- matte black roof bars
- glossy black window and quarter panel trim

on-board features

- sports seat with embossed titanium black recycled mesh upholstery / recycled quilted grained textile with Alpine blue top-stitching

- driver's seat with electric lumbar adjustment
- textured coated fabric dashboard with blue top-stitching
- steering wheel covered with grained bio-sourced and recycled textile with Alcantara® insert, satin chrome finish and blue / white / red stitching
- decorative door panel pieces and dashboard trim in blue gradient
- special esprit Alpine carpeting (interior, floor, door panels and console) in mottled blue

iconic (techno+)

design

- diamond-polished black alloy wheel with 20" oracle aluminium insert

on-board features

- mirrors with memorised settings
- heated front seats with memory function, electric lumbar adjustment and massage for driver only
- Harman Kardon® 9-speaker high-fidelity audio system
- light grey mesh upholstery with embossing / light grey recycled fine grain coated textile with gold top-stitching
- decorative door panel pieces and dashboard trim in grey lime from FSC-certified sustainable forests
- textured coated fabric dashboard with grey top-stitching

- driver's seats with memory electric lumbar adjustment with massage
- solarbay® opacifying panoramic sunroof

safety

- active driver assist
- intelligent adaptive cruise control*
- occupant safe exit warning
- rear parking space exit warning
- emergency braking when reversing
- front detection with emergency trajectory correction
- rear detection with emergency trajectory correction
- 360 degree 3D camera
- smart rear view mirror

range and fuel consumption		
certified driving range in WLTP cycle (km) ⁽¹⁾	430	625
certified consumption in combined cycle (kWh/km)	16.3	16.8
wheel size of certified version ⁽²⁾		19"
engine		
electric engine technology	synchronous with coiled rotor	
max. power kW EEC (hp)/ at maximum engine speed (rpm)	125 (170 hp)	160 (218 hp)
max. torque EEC-Nm	280	300
battery		
usable capacity (kWh)	60	87
technology	lithium-ion	
total voltage (V)	400	
total number of modules/ cells	12/288	12/192
battery weight (kg)	420	530
heat pump	yes	
charger⁽³⁾		
AC option single-phase country / AC series three-phase country (kW)	adaptive three phase	adaptive three phase
DC (kW)	up to 130 at peak	up to 150 at peak
charging time⁽³⁾		
2.3 kW domestic socket (single-phase 10 A) (0-100%)	30 hr 30	46 hr 30
7.4 kW home charging point (single-phase 32 A) (0-100%)	9 hr 15	13 h
11 kW terminal (three-phase 16 A) (0-100%)	6 hr 30	9 h
22 kW terminal (three-phase 32 A) (0-100%)	3 hr 15	5 h
DC rapid charge (15-80%)	33min	37min
gearbox		
gearbox type	automatic (gearbox)	
number of forward gears	1	
performance		
top speed (km/h)	150	170
0-100 km/h (s)	8.6	7.9
steering		
power steering	Yes (electric)	
turning circle between kerbs (m)	10.92	
number of steering-wheel turns	2.34	
Wheels and tyres		
standard wheel rims (")	19" (evolution, techno) 20" (esprit Alpine, iconic)	
19" Michelin e-primacy tyre dimensions	205/55 R19 97 H	
20" Michelin e-primacy tyre dimensions	235/45 R20 100 H	
braking		
front: ventilated disc Ø (mm)	FR DISK 350x30+ Caliper D45*2	
rear: drum (T), cooled disc (CD)	RR DISK 330x16+ Caliper D48 Epkb	
weight (kg)		
empty weight in running order (min/max)	1730/1,890	
gross train weight (GTW)	3,440	3 541
gross vehicle weight rating (GVWR)	2,340	2, 441
payload (min./max.)	523/593	523/599
max. braked trailer weight	1,100	1,100

AC: alternating current. DC: direct current

(1) in WLTP cycle, actual range depends on driving conditions (type of road, driving style and weather conditions) and up to 370 km of range on motorways / Renault internal source / 2023. (2) the size of the wheel rims may affect the vehicle's driving range. (3) maximum power and charging times are based on optimal charging conditions for the vehicle and for the charging point (peak power). The maximum power accepted by the battery (mainly in DC charging) varies depending on the battery's state of charge and the exterior temperature. Driving range reported on WLTP cycle.
